By Commissioners Office
Bangalore District
Dated 10th December 1888

Sir,

With reference to Proceedings No 1151 of 15th September 1888 I have the honor to submit herewith 9 estimates amounting to Rs 4137/- for certain improvements in the Town of Closepet. I have been over all the streets and am of opinion these works are very necessary, and if done at once, expence will be saved hereafter, besides which they will conduce to the improved health of the Town.

2. I have omitted several estimates for petty improvements, park, &c, which can be paid for out of each year's current Revenue.

3. There will probably be a saving in

all the estimates are sanctioned at once, (no tenders will be called for) and the actual amount will therefore be under Rs 4000/- The estimates were framed by Public Works Department Subordinates under the Asildar's own supervision. The Government share of the estimated Revenue for this year is Rs 1237/- so probably the total amount to be given will not be over the 3 years sanctioned in the Proceedings.

4 I would solicit the favor of your kindly obtaining sanction, at an early date, as if this is accorded, the Asildar would start all the Stone drain work at once, and it would be finished before next rains.

5 I will submit the estimates for Chemapatam in a short time, after I have checked the proposals on the spot.

I have the honor to be.

Sir

Your most obedient servant

A Macindoe

Govt of Mysore.

Sir,

With reference to Dewan's Proceedings No. 6330-1/269 dated 24th December last sanctioning estimates amounting to Rs: 4137 for works in the Town of Closepet, I have the honor to state that nearly half the work has been completed. The Contractor clamours for payment of money for work done. But the Comptroller in his letter No. 3657 dated 27th February 1889, to my address, requests a letter of credit to the extent of Government share of Rotation collection for the year just past. The estimated Revenue under this item per annum would amount to Rs. 1326. This will not be sufficient to meet the demand. I therefore request that a sum equal to 2 or 3 years' collection

of Instalments of the Town, promised as Grant-in-aid in Proceedings No. 1151-2, may be allowed to be drawn as an advance, to be adjusted by crediting to it, the Government share of Instalments, yearly.

I have the honor to be
